# COCKTAILS

# Mojitos £5.95

## Original Mojito

Known by everybody as the drink with mint. Although this cocktail was created over in Cuba by legendary bartenders of the Acantineros School, it was catapulted into the real mainstream market by the 2003 film "Die Another Day" where James Bond swapped his normal Martini for a Mojito when Halle Berry makes her first appearance in the movie.

Using Bacardi Superior rum, gives this drink a wonderful lighter taste which serves as a perfect introduction to this world famous cocktail.

## Bacardi 8 Year Old Mojito

Go for an upgrade (£1 extra). For this drink we used a more aged & distinguished rum, Bacardi 8 Year Old rum for those with a palette that identifies far greater flavours.

## Fruity Additions

Try something new by adding some additional fruity flavours to your 90's Mojito. Choose from:

- Raspberry (with Chambord)
- Strawberry
- White peach
- Melon & kiwi

# Alternative Mojitos £5.95

Using the same basis & idea, try some other spirits instead of rum. Technically these can't be called Mojito as rum is not used, but ignorance is bliss...who needs to know...?

## Tuaca Mojito

Made with Tuaca italian citrus & vanilla liqueur in the place of rum giving this Mojito a further level to its taste.

## Twisted Mojito

Vanilla infused Finlandia vodka is then topped with ginger ale, a great recommendation from our bartender team.

## Milky Mojito

Dont be deceived, this drink is not made with milk, however when Pernod is infused with lime, it creates a fantastic white finish. Perfect for those that love the aniseed taste found in Sambuca.

## Mexican Mojito

Everyone turns to Tequila for a good night, enjoy the flavours in a fresh new way before you seek the slammers.

## Cinnamon Mojito

Pear vodka with apple juice to top off, but as just about every other bar uses this combination, why not go one step further & do it properly. Add a touch of Goldschlager Cinnamon Schnapps to the mix.

## Cosmopolitan

Add some finer quality to your cosmo by using Grey Goose Le Citron vodka for only £1 extra.

## Vodka Martini

This drink's simplicity often gets forgotten in many bars around the world. We make it as intended, using Grey Goose vodka with a slight touch of Martini vermouth & our gentle touch allows all those other beautiful flavours from neat spirit to come through.
